

## Job Description

**Copperhead Industries** provides end-to-end solutions for precise location of underground utilities. Innovation, high quality and superior service make Copperhead the supplier of choice among utilities, municipalities and engineers specifying tracer wire systems in the natural gas/oil, water/sewer, and telecommunications markets. Copperhead Industries is an equal opportunity employer offering a comprehensive benefit package including health, dental and life insurance, 401K, profit sharing, and tuition reimbursement.

### Job Title: Extrusion Line Operator (wire and cable)

**Reports To:** Operations Manager

**Job Overview:** This position is responsible for producing top quality insulated wire to required specifications by setting up and operating machines that extrude plastics onto various sizes of wire. Operate extrusion machinery efficiently and safely including set-up, start-up and effective use of extruder line equipment, including auxiliary equipment, tooling changes, monitoring and testing, and production reporting.

### Responsibilities and Duties:

- Set up and operate equipment for wire and cable extrusion
- Operate line to produce product which meets required specifications
- Monitor equipment to ensure in-process quality control
- Oversee packaging procedures of finished product
- Schedule machine time
- Maximize run time of extrusion line
- Calculate usages and retrieve raw material

### Qualifications:

- High school diploma or equivalent
- Minimum 3-5 years of extrusion experience
- Ability to perform basic math functions
- Experience applying data and situational analysis to make sound judgment on operational procedures
- Excellent problem solving, machine set-up, and quality control skills
- Ability to see small defects and differentiate colors during in-process quality control procedures
- Ability to stand and walk for long periods of time
- Ability to frequently lift 30 lbs. and occasionally lift 70 lbs.

- Self-motivated, goal oriented
- Must have the ability to work with minimal supervision
