

Job Description

Job Title: Senior Staff Accountant

Join a world class company focused on utility damage prevention!

The Senior Staff Accountant will serve as an integral part of the Copperhead accounting team. This position will be responsible for a variety of accounting tasks, including inventory reconciliation and costing analysis, government filings, and general ledger accounting functions. This person must be able to work well in a team environment, and communicate effectively with customers, internal and external, including management. With our growing company, this person must be flexible and adaptable to change.

What we need you to DO:

- Accounts Receivable: Manage customer accounts, cash receipts, and collections
- Inventory: Create and maintain inventory parts, maintain inventory cost changes, month-end reconciliation, and adjustments
- Cost Accounting: Auditing and analysis of standard costs and margin analysis
- Product Price Sheets: Create, update, and distribute product price sheets to customers
- Fixed assets
- General ledger accounting: Month-end journal entries, reconciliations, and spending analysis
- Financial Statement preparation
- Financial analysis and reporting
- Assist with audits
- Government filings
- New product development team member

What you need to POSSESS:

- Bachelor's degree in accounting or related field
- Minimum 5 years of experience in a similar position
- Excellent Excel skills
- ERP system experience
- Excellent verbal and written communication skills
- Excellent problem-solving and time management skills
- Self-motivated and strong analytical skills
- Highly organized and detail-oriented

Our BRAGGING RIGHTS:

- We are American owned and operated, and our products are made in the USA.
- We pioneered copper-clad steel tracer wire to transform utility locating.
- We've doubled in size in the last five years.
- We're a founding member of the American Bimetallic Association.

WHO we are:

Copperhead Industries provides end-to-end solutions for precise location of underground utilities. Innovation, high quality and superior service make Copperhead the supplier of choice among utilities, municipalities, and engineers specifying tracer wire systems in the natural gas/oil, water/sewer, and telecommunications markets. Copperhead Industries is an equal opportunity employer offering a comprehensive benefits package including medical, dental, life and disability insurance, matching 401K, profit sharing, and tuition reimbursement.

To apply, please send cover letter and resume to jobs@copperheadwire.com or mail to Copperhead Industries, ATTN: HR, P.O. Box 1081, Monticello, MN 55362.
