

MAMBA TRIAD

MARKER POST

APPLICATION

Three-sided, durable, HDPE marker post for high visibility to buried utilities. Industry-best, single wrap decal provides maximum 360-degree visibility and no peeling. Decal alerts excavators to buried pipes/cables and can be customized with utility brand, 811 logo, and Call Before You Dig logo.

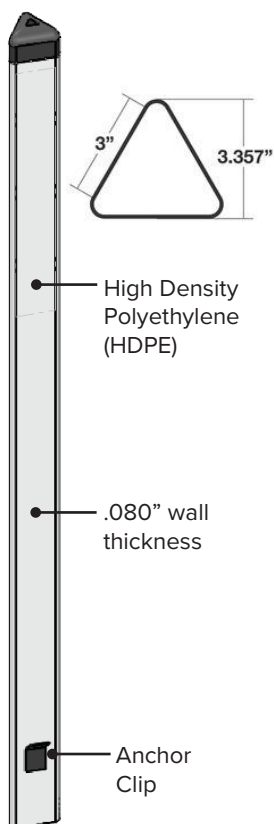

ONE DECAL
wraps around
entire post!

**360-degree
visibility**

**5% wider for
bolder type**
